

INNERCITYTENNIS

Women's Daytime League

The Women's Daytime League consists of teams representing independent facilities throughout the Twin Cities metropolitan area. InnerCity Tennis has singles and doubles teams (2.5 - 5.0) that compete in the league each year.

Teams are coached by ICT's professional tennis staff.

Practices start the week of September 14

2020 Note: Match dates will begin later in the season

**SINGLES LEAGUES** - Half of the singles matches are played at ICT, with the below times, and half are played away.

TEAM, PRACTICE & ROSTER INFO

**SINGLES TEAMS** - Matches consist of 6 players. On match dates, half the team will play at home, the other half at the opposing team site. Match play is 90 minutes, using regular scoring, with 10-point match tie-breaker in lieu of a 3rd set.

**DOUBLES TEAMS** - Matches consist of 3 teams (6 players). All matches are played at one site. Match play is 2 hours in length, use regular scoring, with 10-point match tie-breaker in lieu of a 3rd set.

**TEAM PRACTICES** - Players are required to attend the team practice scheduled on the off-match weeks or are responsible for finding a substitute if they cannot attend. ICT provides a sublist but you can also select someone you know at your level to attend. Players are charged for practice no-shows. Please be on time!

**TEAM ROSTERS** - ICT will determine team rosters and initial team positions by player USTA ratings and last year's results. We have given an opportunity to have a "buddy" for a singles team and "doubles pair" for a doubles team if the ratings are the same.

**USTA MEMBERSHIP** - Players must have a current USTA membership, good through May of 2021, before they can sign up. To obtain a membership, visit [www.usta.org](http://www.usta.org), or call 1-800-990-8782.

**WDL MATCH TIMES** - Match times played at other clubs may differ from ICT's match time. Home team sites all have unique match times.

2020-21 TEAM COACHES
